1 Q. All right. Then I guess my question would  
2 be this: Packaging material, would you, as a site  
3 head of quality, be in a position where you could  
4 approve or reject packaging material?

5 A. Yes.

6 Q. Is it true for all of these, if I go down  
7 the line, labeling drug products?

8 A. Yes.

9 Q. I guess my thought there is, there's no  
10 separate quality for manufacturing; if there's a  
11 manufacturing issue, you're still the site head for  
12 that quality as well?

13 A. Yes.

14 Q. Like even if a machine caught on fire,  
15 does that fall under your quality care and control?

16 A. Only if it impacts product.

17 Q. Okay. Fair enough.

18 So there's no quality assurance -- and I'm  
19 beating this to death.

20 MS. CALLSEN: I'm picturing Scott running  
21 in with a fire hose.
